

PINE CREEK COMMUNITY RESTORATION LONG TERM RECOVERY ORGANIZATION

P.O. Box 178/14 W Moreland Ave, WA 99149 (509) 939-6005 Email: PCCRLTRO@gmail.com

October 15, 2024

Dear Pine Creek Community Members,

The Pine Creek Community Restoration Long Term Recovery Organization will be ending its Resident Request Program designed to support the recovery and rebuilding goals of those residents affected by the September 7, 2020 Babb Road Fire, and who have decided to remain residents of Pine City and Malden.

Since the beginning of the program in June 2022, 64 requests have been completed for a total of \$269,784.32 supporting the funding of these requests.

If you were a resident of Pine City or Malden at the time of the fire or are planning to return to resume residency, and have a fire related recovery need (such as building materials, replacement of items lost in the fire, support for fire-related mental health care, or employment/re-training interrupted by the fire), this is your last opportunity to request support.

Final Resident Request Forms must be completed by 5pm, Wednesday, December 4th, 2024. ***NO REQUESTS WILL BE ACCEPTED AFTER THIS TIME.***

Resident requests forms are available on the PCCRLTRO website at <https://www.pinecreekcommunityrestoration.org/faq/> or at the Malden Town Hall, 14 W Morland Ave. Completed forms may be returned to the Malden Town Hall or as an email attachment to PCCRLTRO@gmail.com.

Thank you for allowing us to serve you and your fire-related needs.

Your Pine Creek Community Restoration Long Term Recovery Board

Scott Carlon, Larry Frick, Kim Heck, Bob Law, John Lenz, and Christine Oakley

Chandelle Frick, Executive Director
